Message from the Minister of Health

To all Covenant Health staff, physicians, and volunteers

It is an honour to thank you on behalf of Premier Kenney and our government, as we celebrate the contributions of Catholic health care providers during National Catholic Health Care Week, October 4 to 10.

I thank all of you at Covenant Health for your continued work to support the health of Albertans. This work has made an impact in our province, and your efforts do not go unnoticed.

I want to especially recognize that the current COVID-19 pandemic has placed tremendous demands upon all of you. On behalf of all Albertans, I extend to you our deep appreciation for the incredible sacrifice you have made during these unprecedented times to keep our communities safe.

Catholic health care providers are our trusted partners, and have helped us to build strong and healthy communities across Alberta.

Thank you, again, for your service, and congratulations on your 157-year legacy of compassionate care.

Sincerely,

Tyler Shandro, Q.C.
Minister of Health
